Edmodo Information For Parents

There will be an evening information session for parents on November 5, 2013.

Three CSS teachers will share how they use Edmodo to communicate with parents and how parents can use this tool to be better informed about their child's work.

Edmodo is a powerful learning management system that allows parents and students to see upcoming assignments, due dates, and to monitor assignment completion.

The session will be held from 6pm - 7pm in the IAC. Feel free to bring your child's laptop or iPad and to access their Edmodo account during the session.

Session Info

Date: November 5, 2013
Time: 6:00pm - 7:00pm
Location: IAC

If you are bringing your child's laptop or iPad, please make sure that you can log in and you have access to your child's Edmodo account.
